

Conductor connector 2D-A

for low voltage.

Material:

- Mechanical connector of high-strength aluminium alloy
- Thrust bolts of steel

Properties:

- Can be connected horizontally or vertically
- Patented thrust bolt with integrated spring washer
- Secure line contact from grooves on the bar surface
- Whole conductor range for all conductor types without wire-end ferrules
- Closed conductor channel for secure contact with all single conductors
- Compact design
- Can be mounted side by side
